Platinum Health Plan

Fictional Policy Document - Version v1

Important: This is synthetic policy data created only for the Health Insurance Policy Advisor capstone project. It does not represent a real insurance product.

1. Plan Information

Field	Value
Plan ID	PLAN003
Plan Name	Platinum Health Plan
Version	v1
Effective Date	2026-01-01
Status	active

2. Benefits

Clause ID: PLATV1-BEN-001

Section: Hospitalization Benefits

This fictional plan includes eligible inpatient hospitalization benefits subject to the conditions and limits stated in the policy.

Clause ID: PLATV1-BEN-002

Section: Room Benefits

This fictional plan provides eligible room expenses up to 10000 synthetic currency units per day, subject to policy conditions.

3. Waiting Periods

Clause ID: PLATV1-WAIT-001

Section: Waiting Periods

Eligible planned procedures under this fictional policy are subject to a waiting period of 30 days from the applicable policy start date.

4. Exclusions

Clause ID: PLATV1-EXC-001

Section: General Exclusions

Services classified as cosmetic-only procedures are excluded under this fictional policy unless another approved clause explicitly provides a benefit.

5. Required Documentation

Clause ID: PLATV1-DOC-001

Section: Required Documentation

For a planned procedure, this fictional policy requires a completed request form, supporting procedure documentation, and identification information.

Clause ID: PLATV1-DOC-002

Section: Hospitalization Documentation

For hospitalization-related requests, the fictional policy record requires the applicable request form and supporting hospitalization documentation.

6. Benefit Schedule

Benefit ID	Limit Type	Synthetic Amount	Waiting Days
PLATV1-BEN-HOSP	annual	500000	30
